Golf Tournament Raises \$100,000 to Honor Infant Daughter & Help Families Affected by Congenital Heart Conditions

Cameron Steinberg passed away from a congenital heart defect at just two months old. Her parents, Sam and Melissa, launched the Cameron Steinberg Foundation to honor her life and help other families affected by these conditions. A charity golf tournament was the perfect way to bring people together to remember Cameron while raising dollars for the Foundation's work.

“
PEOPLE TEND TO BE WILLING TO OPEN UP THEIR WALLETS AND DONATE AT A GOLF TOURNAMENT.
— Sam Steinberg, Co-Founder of the Cameron Steinberg Foundation

How to Make it Easy for Your Donors to Donate

Updated: 6 days ago

This is a guest blog from [Beacon Design by ChemArt](#)

Making it easy for your donors to donate on your site is an essential piece to keeping them engaged with your organization and to keep their donation coming in, year over year. A user may feel frustrated quickly if they go to your site but can't find the "Donate Now" button or a way to claim their free gift. Regardless of how you want them to donate, it's crucial to make the process as simple as possible.

FREE NONPROFIT WEBINARS

Lead a 45-minute, content-focused webinar on GoToWebinar or Zoom for an audience of intermediate to advanced level of nonprofit professionals. After the webinar, you receive a workshop registration report that includes attendee email, organization, and mailing address. We guarantee 125 registrants* for hosted webinars through promotion on our e-newsletters, website, and social media channels. A member of our team will be on during the entire webinar to moderate and provide technical support.

All webinars are archived in our [Nonprofit Library](#) and available for members to access after the webinar. Webinars are also made available on our free resources page, providing further marketing opportunities. Hosted webinars are included in all sponsorship packages.

**We cannot guarantee a specific number of live attendees.*

SPONSOR TESTIMONIALS

GOLFSTATUS

“GolfStatus has worked with the Nonprofit Learning Lab for several years, and have appreciated their thoughtful feedback on email timing, topics, and resources that resonate with its audience. We’ve been pleased with the continued growth of its email list, which has resulted in continued exposure and engagement for GolfStatus. We’ve run several hosted webinars with the Nonprofit Learning Lab, and the team has been great with scheduling, facilitating, and providing tech support throughout the process.”

SAGE INTACCT

The Nonprofit Learning Lab has helped guide us to the best content for their audience and in turn, that has enabled us to increase our marketing qualified lead number as well as the number of net new leads we add to our database each quarter. They are definitely one of our top marketing partners!

COMMUNITY IT

“Have hosted several webinars for Nonprofit Learning Lab and they are always a delight to work with. They are organized and help keep us on track, and were able to customize a package for our interests and content. Really appreciate the level of support and scheduling.”
